

Homework Timetable 2011-2012 – Year 8 - Right

Homework set will involve a variety of tasks, including written work, research, investigations, extended projects, reading, revision etc. It is your responsibility to write down all homework in your Homework Diary, to ensure it is completed to the best of your ability and that it is handed-in on time – as directed by your teacher. Homework diaries need to be signed weekly by parents/carers.

Note that though technology appears on two occasions, more details on the nature and frequency of the technology homework will be provided by your subject teachers; note that occasionally, homework set may take several weeks to complete, so it will be important to organise yourself to ensure you complete it on time – leaving it to the last minute is not recommended.

In Food technology you will be expected to organise your own ingredients as part of the homework task.
