

St Bede's' Curriculum Model

Notes:

- We deliver our PSHCE curriculum through a series of collapsed, whole-year group days in years 8, 10 and 11.
- The number and distribution of options subjects through years 9, 10 and 11 varies according to demand
- We build flexibility into our year 9 model to allow students to move between option subjects, where possible, prior to commencing GCSE work (typically during the spring term)
