Wednesday morning self-led instrumental ensembles

It's a great way for advanced musicians or those taking GCSE music to excel in ensemble performance. A self-led ensemble group is ideal for students who are committed, confident, motivated, and musically experienced and involved in larger ensembles like orchestra, choir, or string groups. Students will have the opportunity to take initiative and make musical decisions whilst only being facilitated by the teacher.

Come with your musical friends to see Miss Manser who can sign up for this session.
