# Our top uniform buying tips...

## Blazers

*You may want to go for a slightly bigger blazer size if your child will be wearing a jumper during the winter months. Make sure when you try on your blazer the sleeves come down to the knuckles to allow for growth and across the shoulders there is also room for growth.*

## Boys Trousers

*These fit true to size and have an adjustable waist.*

## Girls Trousers

*These fit just below the waist and are a generous fit. There is no adjustable waist.*

## Skirts

*The skirts come with an adjustable waist which can be pulled in to ensure a good fit. Remember to fit to just below the knee.*

## PE Tops

*PE Tops should always be bought slightly bigger to allow for growth and ease of taking on and off in a hurry when changing.*

## PE Shorts

*The PE Shorts have a draw string to pull the waist in tighter.*

## Don't forget

*Don't forget name labels, water bottles and mouth guards!*
